

## Carroll County Cattlemen's Youth Leadership Scholarship

\$1000.00 Scholarship

### Scholarship Guidelines

1. This scholarship is available to any individual who is a graduating High School senior and is planning to attend any post-secondary school, or to an individual who is already attending post-secondary school and continuing their education in the fall. We are limiting the scholarship to be received only twice per applicant.
2. The Scholarship applicant will be chosen at the discretion of the Carroll County Cattlemen's Association Board of Directors. An application shall be completed and returned by **April 15, 2022** with a copy of academic records.
3. **The scholarship applicant's parents must also be members of the Iowa Cattlemen's Association designated in Carroll County. We would like a 3 year paid membership by the time applications are due (or yearly membership for 3 years).**

4. The scholarship award will be given to the recipient at Banquet closest to the beginning of their next post-secondary year. Will be awarded with check at Banquet.
5. The scholarship must be used within one year of its award.
6. It is hoped that this scholarship will be in addition to other financial aid. There is not a predetermined grade point that must be achieved to receive the award.
7. If the recipient is forced to quit their post-secondary education for reasons beyond their control (for example: death, illness, etc.) the Board of Directors will review the case and determine repayment concerns.
8. **All scholarship winners are required to grill at the Beef Quarters with the county cattlemen at the Iowa State Fair. They are also required to help with the annual banquet which is towards the end of February. If the two events are missed or unattended, the scholarship dollars will not be awarded to the recipient(s).**
9. Scholarship applications must be received at the following address on or before **April 15, 2022**.
10. Any questions feel free to contact a Cattlemen Board Member.
