

Volunteers Needed for Iowa FIRST® LEGO® League (FLL)

Do you want to inspire Iowa youth in science, technology, engineering, and math? Celebrate their amazing learning experiences? Want to enjoy your Saturday with some grateful kids? We would like to invite you to join our volunteer team for our **FIRST LEGO League (FLL)** Qualifier Event on **Saturday, December 7th**, in Glidden! No technical expertise is needed. The event is open to the public.

FLL is a worldwide program in its 21st year of getting students, aged 9-14, and eager to learn science, technology, engineering, and math. FLL helps them develop skills in problem-solving, teamwork, strategizing, research, programming and creative thinking. To learn more about FLL, go to www.firstinspires.org

You can help! Teamwork makes the dream work - volunteers are what makes these FLL events succeed. You can help all day, approximately 8:00a to 4:00p, just in the morning, or just in the afternoon. There are a variety of volunteer positions, including judges, referees, timers, judge assistants, and more.

Register to volunteer now! Check out more information at www.isek.iastate.edu/fll/volunteers/registering-to-be-a-volunteer/ or by registering at my.firstinspires.org/AccountManager/Account/Register. All volunteers will be screened.

If you have any questions or want more information, please contact me at [Julie Leonard](mailto:Julie.Leonard@iastate.edu) or fllvolunteer@iastate.edu.

Thank you for your support,

Julie Leonard
