

Glidden-Ralston Insurance Waiver

The Iowa High School Athletic Associates provides catastrophic insurance coverage for all student athletes in grades 9-12.

Students participating in extracurricular athletics shall be required to have health and accident insurance. The student shall bring written proof of insurance or participate in a health and accident insurance program.

The cost of the health and accident insurance program shall be borne by the student. Participation in the insurance health and accident plan is not a contract with the school district, but rather, a contract between the insurance company and the student.
